
This is just across the street from the beautiful church. I'd send you a p.c. from Co's Country Home now but indefinite day to day states she has been working very hard as she has been laid up with a trick back. Julia on vacation. Andrew very leary to be lugging wardrobe stairs. Hope back clears up soon. Julia back today, so I am off to see Picasso's at Metro. Museum. Are you planning a trip to Co? Love Helen
